

In Orbit, featuring Jeff Coffin, Michael Occhipinti, & Felix Pastorius

Hospitality Rider:

**On Stage:**

- bottles of water (or even better, glasses of tap water if your tap water tastes ok)
- towels for each band member

**Backstage:**

- mineral water (e.g. San Pellegrino or Perrier), tea and coffee, an assortment of healthy snacks (e.g. hummus, fruit, cheeses, olives, pita wedges or nachos) or sandwiches (including vegetarian options).
- Good quality (e.g. micro brew) beer and a bottle of red wine is always welcome!

**Meals:**

- where meals are provided, please provide fish or vegetarian options. The band is easy to feed, but fresh, real, organic (when available) and NOT JUNK is the general idea. A hot meal could include real Italian food (no bad pizza please), Thai or Asian food, or simply baked/roasted fish, chicken or meat with vegetables.

**Hotel:**

- 5 non-smoking rooms is ideal, and hotel should be 3 star or higher at a reputable chain, within a short drive or walk of the venue. PLEASE no far away hotels unless your city is absolutely full or there simply aren't any close to the venue - we do a lot of driving!
- where possible, presenter should request early check in (12 pm) and late check out (12pm or later)
