

I'll Bend For You

Intro) B F#

1) B E
I called you up every day; but you're never home
B E
You always say - and I quote - "I feel so alone"
B
There must be something that makes you so lonely
E
Won't you talk it over with me?
B E
I'll try to be anything you want me to be!

Chorus) F# B
You know I'll bend for you; Any way that you want me to
F# B
You don't have to ask, you know; I'll bend for you
E B
You know I'll bend for you; Any way that you want me to
F# B F#
You don't have to ask, you know; I'll bend for you
B E

2) B E
I fooled around, tried to win attention from you
B E
But you turned your back, looked away; What am I gonna do?
B
It's not so easy to please you, I'm asking
E
Won't you talk it over with me?
B E
I'll try to be anything you want me to be!

(Chorus)

(Instrumental) E B F# B F#

Break) B
There must be something that makes you so lonely
E
Won't you talk it over with me?
B E
I'll try to be anything you want me to be!

(Chorus)
