I know that this is not the end, it's not the end

D G A  
I see the way; I found a home

And I know there are better days ahead

3) D A G A  
You've been here from the beginning of me  
D A G A

D A G A  
Step by step along the way  
D A G A

4) D A G A  
Watching over me each day  
D A G A  
I was lost and didn't know it; Did you?

You fill me up another way, another way
