

Mother

Intro) Am C

Am C
 1) Mother, you taught me how to talk
 Am C G
 Mother, you showed me how to walk
 Am C
 Mother, you're with me; I'm right here
 Am C G Em
 Mother, together we can face the year
 G Em

Chorus) This disease that's taken your mind
 Am C
 I can see; digs deeper each time
 G Em
 This disease and what's it's done to you
 Am C Am C
 I believe there's more we can do
 Am C

2) Mother, you taught me how to pray
 Am C G
 Mother, you helped me carry the weight
 Am C
 Mother, you knew when I was lost
 Am C G Em
 Mother, you found a way whatever the cost
 G Em

Chorus) This disease that's taken your mind
 Am C
 I can see; digs deeper each time
 G Em
 This disease and what's it's done to you
 Am C Am C
 I believe there's more we can do
 G C

Bridge) Some day there'll be no memories lost
 Am C
 The puzzle is solved, but you paid the cost
 G C
 Until that day comes, join in the fight
 Am C G C
 Together we can end ALZ and make things right

Mother (continued)

Am C
 3) Mother, I feel you slip away
 Am C G
 Mother, know you're not alone today
 Am C
 Mother, I wrote this song for you
 Am C G Em
 Mother, I'll sing it 'til there's no reason to
 G Em
 Chorus) This disease that's taken your minds
 Am C
 And has changed, so many lives
 G Em
 This disease and those all alone
 Am C G C
 Together we'll find a way to bring them home
 G C
 Bring them home
 G C Am C
 Bring them home to stay
