

NICOLE SASSER

Nicole Sasser is a sensational and unique artist redefining music! Her new pop electronic dance music features the trumpet and singing with all original music co-written by Nicole and multi-platinum producer Veit Renn.

Doing what no artist has done before, Nicole is one of the most talented, versatile and unique acts we have seen today.

With music that specifically appeals to a younger generation, her concerts inspire today's youth to think outside the box to use any instrument in any genre.

Nicole's high energy performance features her powerful voice and smooth expressive trumpet playing that will inspire every listening soul.

After shows, she will be available to sell and autograph CDs.
