

QUALITY BENGAL KITTENS

SECONDARY PAYMENT RECEIPT

Description of Deposit:

This secondary payment holds **color, gender, further identification** from **Mother's name and Father's name**

On the date signed by the Seller, an additional payment of **\$650** has been received from the Purchaser to be applied towards the **\$1800** purchase price of one Bengal kitten. Upon the date signed by the Seller, the Purchaser has paid a total of **\$1150** and has a balance of **\$650**. The payment is not

refundable should the Purchaser, for any reason, change his/her mind about purchasing the Bengal kitten.

Once the kitten is chosen, it will be held for the Purchaser and will not be sold to any other buyer, regardless. The **\$650** balance due must be paid at pick up. The kitten will not be released to the new owner until balance is paid. The kitten's projected pick up date will be a **ten day projected pick up date range**.

We give a window of time for the pick up because we don't know exactly whether or not a kitten will react to the vaccine that is given shortly before departure. If you are planning anything that is not easily flexible, such as a buying a plane ticket to pick up or taking days off from work, please plan for the end of the pick up window.

A breach of contract, either verbal, written or through neglect or avoidance to communicate, on Purchaser's part can jeopardize the chance of finding the above said kitten a new home as quickly as possible and may result in the kitten being placed with another family.

This Secondary Payment Receipt serves as a guarantee for the amount of deposit. The total amount of payment will be refunded to the Purchaser if the Seller fails to make available the chosen kitten to Purchaser.
