Brad Boyer | Montagu Hotel

A new record by a **two time Kerrville Folk Festival Finalist and a Texas Music Awards Rising Star Award winner, Produced by Lisa Morales.**

“ It’s great to have the likes of **Joe Ely and Cindy Cashdollar** on this record, but Brad Boyer’s songs carry the record all by themselves. Some beautiful Texas ballads and some really rockin’ tunes make for an all around outstanding release from a great Texas artist.” - Roark Smith, KPFT Houston (Texas Music Awards DJ of the year 3 yrs running)

“Brad Boyer has a little bit of west Texas in him, that dust gets all over everything.” - Joe Ely
