

LILLY: Tenderly (feat. GILAD HEKSELMAN)

New album release from LILLY on 1st of December, 2017.

Jazz/crossover duo album in collaboration with the Israeli-born and New York based guitarist, Gilad Hekselman, who is an active and critically acclaimed musician on the international jazz scene.

Tenderly is the title of Lilly's fourth album release, but this time she exclusively interpretes songs by others. The 8 tracks (9 songs) are chosen from the recordings one October day during fall 2015, where Gilad Hekselman was in Denmark some months as Artist in Residence through the organisation JazzDanmark.

After a first short musical meeting at a jamsession on the jazzclub La Fontaine i Copenhagen, Lilly took the initiative to a recordingsession some weeks later. It turned into a nice day in the studio together and the result is now ready for digital release - download og streaming worldwide.

The album consist of both known and less known jazstandards of composers like Hoagy Carmichael, Duke Ellington and Charlie Haden, a song of the British singer/songwriter Nick Drake and a small medley of a traditional folksong from Åland *Vem Kan Segla* (here sung in Danish) and the Henry Mancini song *Whistling Away The Dark*.
