Agreement Form/Requirements

Scooter Studios Video Commercial Service is an affordable package to help you advertise your business on various platforms such as television, and social media. Ads will also be run on the Live at Scooter's Podcast! To ensure ease of setup, safety, and diligence of time, we ask that:

1. A minimum deposit of 50% must be made at the time of scheduling. Remaining balance must be paid by the scheduled session date.
2. Deposits are non-refundable. If a session needs to be rescheduled by either party, a new date will be agreed upon by Scooter Studios and the client.
3. Due to the gear involved (some of which is heavy and bulky), Scooter Studios Mobile Recording Unit must be used on the first floor of any location, unless there is a proper elevator on the premises.
4. A clear parking spot near the "load-in" location must be provided.
5. When scheduling a session, please allow up to 2 hours worth of time to ensure maximum recording/filming time along with setup and breakdown.

What to expect as a client:

Please allow up to 2 hours for filming/audio recording for your ad. Once everything is shot/recorded, I will take the material back to my home studio to put together. Please allow 1-2 weeks for completion. Once completed, I will send a reference video to you the client for final approval and or suggestions. Once the video has been approved, the file will be released to you to use at your own leisure. Files will be backed up by Scooter Studios incase files need to be recovered.
