

Scooter Studios Pricing:

Mobile Live Recording:

Scooter Studios Mobile Live Recording Service includes 1 hour of live recorded material. Audio is recorded at your spot! Price reflects travel, and post editing/prep time (on average, 5-7 hrs). Please allow at least 3 hours for your recording session (sessions not to exceed 5 hours in total). Pricing is also based within a 75 mile radius. For clients outside of 75 miles, a 10% charge of the total price will be added after 75 miles, and be charged every subsequent 25 miles. Agreement form must be signed and returned, and payment must be received before the session date.

\$500.00 total

In-Studio Mixing/Mastering:

This service can be utilized for clients who are further away, and have the capability of sending me their recorded audio to be mixed, produced, and mastered. Agreement form must be signed and returned before starting.

\$100 per song

Advertisement Commercial Packages:

30 Second Video Commercial Production

Designed for businesses, and/or special events. Package also includes free advertising play on the Live at Scooter's podcast platform. Clients will also receive the video file to use at their own leisure for online marketing purposes. The rate is based within a 50 mile radius. For clients outside of 50 miles, a 10% charge of the total price will be added after 75 miles, and be charged every subsequent 25 miles. Agreement form must be signed, returned, and a down payment of 50% is required before the filming date. Remaining 50% balance must be paid before receiving your file.

\$400.00 total

30 Second Audio Commercial Production
