5	FIDDLE (ANNA)	XLR (DPA mic provided: needs phantom)
6	TUN TUN (ANNA)	DI
7	FOOT PERCUSSION (ANNA)	XLR (AKG C 411 provided: needs phantom)
8	VOCAL (ROWAN)	Neumann KMS 105 (provided)
9	VOCAL (ANNA)	Neumann KMS 105 (provided)

Notes:

- We need at least 30 minutes for soundcheck, please let us know if this isn't possible.
- We need two separate monitor mixes.
- We need two armless chairs on stage.
- We will supply mics for fiddles, viola, foot percussion and both vocals.
- The mix out-front should be balanced, there is no lead singer etc.
- We usually need a low level of everything in our monitors and a bit more of *the other person's strings* than our own, but we will advise during soundcheck.
