

An Evening with Noel & Tricia Richards

Since the early 1980s, Noel & Tricia Richards have been known as writers of contemporary Christian hymns and songs, which have found their way into regular use in churches throughout the UK and beyond. Perhaps their best known compositions are '*All Heaven Declares*', '*By Your Side*', '*You laid aside Your majesty*' and '*To be in Your presence*'.

After more than 30 years of writing together and Noel recording solo projects, Autumn 2013 saw the release of the first 6 track CD from Noel & Tricia Richards - "***Favourite Place***". The songs on the CD are about life, love and friendship - the things that matter most to them.

In November 2015 they released their follow-up CD – '***Wonderful***'.

In Autumn 2017 they released an acoustic CD of their best known songs, entitled '***Quiet My Soul***'.

An evening with Noel & Tricia Richards features their new songs and depending on the audience, some of their classic songs, together with conversation, in an intimate acoustic setting.
