

Passion for Jesus

E
I'm calling out to You
C#m
There must be something more
B E
Some deeper place to find
C#m
Some secret place to hide
B E
Where I've not gone before

E
Where my soul is satisfied,
C#m
And my sin is put to death,
B E
And I can hear Your voice,
C#m
Your purpose is my choice
B E
As natural as a breath

F#m G#m
The love I knew before -----
F#m G#m
When You first touched my life -----
A G#m
I need You to restore -----
A B
I want You to revive -----

E A E
Oh, place in my heart a passion for Jesus
A E F#m B
A hunger that seizes my passion for You
E A E
My one desire, my greatest possession
A E B E
My only confession, my passion for You.
