# BIO

Called "**blue-eyed soul for the 21st century**," Alexi Paraschos is an award-winning soul, R&B, and pop singer/songwriter based in Philadelphia. He is known for his smooth tenor voice paired with original, catchy melodies which give him his **unique and captivating sound**.

Originally from the Boston area, Alexi began singing in school at the age of 4. He picked up the guitar at age 7 and wrote his first song at age 11 while listening to the Beatles and Motown. After being introduced to gospel music in high school, Alexi taught himself to play the piano and was inspired to embark on a career as an independent singer and songwriter after graduating college.

After moving from Boston to Philadelphia in 2015, Alexi began working on his first studio album, entitled "25/8" which was released in 2018. After a trip to his father's homeland of Greece later that year, and getting engaged to his longtime partner, Alexi began work on his next project entitled "Love Odyssey." The album features Jadakiss, T3 (*Slum Village*), Natalie Stewart (*Floetry*), and Doobie Powell, and is scheduled for release in 2020.

## LOVE ◊ ODYSSEY

FEAT. JADAKISS, T3, NATALIE STEWART

Alexi's newest album, "Love Odyssey," is a timeless classic that brings listeners on a transcendent journey through time, genre, and, most importantly, love. Inspired by Alexi's recent engagement and taking the title from his 2018 trip to his father's homeland of Greece, the project is uniquely personal to him. More than that, though, "Love Odyssey" **is packed with unforgettable hooks, infectious grooves, and elaborate instrumentation which beautifully encapsulate the universality of the love experience.** The additions of heavy-hitters JadaKiss, T3 (from *Slum Village*), and Natalie Stewart (from *Floetry*), help set "Love Odyssey" apart and prove that Alexi has a sound fit only for the Gods. **Set for release in 2020.**
