From the last to the first,  
 All those who hunger and thirst,  
 Those who are burdened far from rest,  
 May you find your way blessed.

From the cry of the weak  
 To those who earnestly seek,  
 Those who have faith still unconfessed,  
 May you find your way blessed.

From the soul in despair  
 To those who comfort and share,  
 Those who are poor and dispossessed,  
 May you find your way blessed.

*Chorus:*  
 May you find your way blessed,  
 May you find your way blessed,  
 Every moment on this journey  
 May you find your way blessed.

*Chorus:*  
 May you find your way blessed,  
 May you find your way blessed,  
 Every moment on this journey  
 May you find your way blessed.

*Bridge:*  
 There will be struggle but mercy,  
 Days remaining in our hearts;  
 There will be mourning but wonder  
 Nothing will keep us apart.

From the least to the great,  
 All those who suffer and wait,  
 Those who endure both trial and test,  
 May you find your way blessed.

*Chorus X 2*
