

Dear Maurice and Phase4,

I just wanted to write to thank you so much for your part in making our wedding reception absolutely perfect! From our first interactions with you through the course of booking/planning the event to the implementation were handled with such professionalism and courtesy making it completely stress-free. The musical selections were just perfect for our group of guests and of course, Angel has a beautiful voice. My guests could not stop raving about how wonderful you all sounded.

Thank you again and please feel free to use us as a reference for anyone looking for a fabulous band for their important event!
