## **Hospitality Rider & Other Conditions**

Isaac Callender tours around 200 days each year, so sometimes it's the little details (hence this rider!) that make a big difference in their life on the road and putting their best foot forward every night. While they are flexible and accommodating (you'll see!) we ask that you provide and consider these requests to the best of your ability.

**We understand that sometimes not all of these things are possible for your event/venue and we will work with you.**

Thanks in advance for your consideration!

### **On Stage**

5 bottles of spring water (room temperature)

### **Dressing Rooms**

Please provide a private, clean dressing room (with a mirror, if possible) that is secure from audience and/ or staff.

### **Meals**

Please provide a well balanced hot meal in a dining area near dressing rooms (or in dressing rooms if suitable). There are no band allergies. All meats are acceptable, except for Sasquatch and any member of the reptile family.

If the above is not possible, please provide the following: Vegetable tray for 5 people

Cheese and Cracker tray for 5 people

Assorted Sandwiches for 5 people

Please provide additional bottled water with meal and/or in dressing room.

### **Other Beverages**

Sparkling water

Micro brewed beer (local & chilled if possible) and/or a bottle of fine wine (red or white)

When lodging is part of the agreement with the promoter, we ask that you provide rooms at a quality hotel. Clean, comfortable rooms are greatly

appreciated. (Home accommodations, school dorms, camping, etc. are generally not accepted, inquire for exceptions.) Please provide the artist with the hotel address, phone number and confirmation numbers at your earliest convenience. The band requires 3 rooms; 1 with one bed, the others with 2 beds. All rooms can be booked under “Jeff Scroggins.”
