

# Julie Parisi Kirby

## *In Her Dream*

Julie Parisi Kirby's debut album, *In Her Dream*, brings to the fore her extraordinary voice, as warm and strong as oak, in songs of joy and beauty, peace and family, passion and compassion. Anchored and unified by her own compositions, the collection transports us through darkness and light to a place of love and warmth.

*In Her Dream* features original songs by Julie and by T.G. Vanini, a beautiful peace song by Karen Beth and two traditional folk songs. Julie is joined on this album by T.G. Vanini on harmony vocals, piano and violin, Jude Roberts on harmony vocals and guitar, Steve Massardo on guitar, Abby Newton on cello, Lou Pappas on bass and Jon Garelick on mandolin and octave mandolin. *In Her Dream* was recorded and co-produced by Julie Last at Cold Brook Productions.

Julie has been singing all her life in a variety of styles including folk, pop, early Renaissance, and Celtic traditional. Based in Woodstock, NY, Julie has sung with T.G. Vanini in The Princes of Serendip for over 19 years. She has performed with David Ross Mason, Bar Scott, Amy Fradon, Prana, Spatter the Mud, Jude Roberts and Woodstock Renaissance.

“...When I put it on my CD player, it seemed the room brightened and my sad spirits lifted...For Julie, both the past and the future co-exist with the present and she writes seamlessly and beautifully about all three.” Tom Pacheco
