MUSIC

It's in your heart, not your head

*"Music gives soul to the universe, wings to the
mind, flight to the imagination, charm to
sadness, gaiety and life to everything.*

*It is the essence of order and leads to all that is
good, just and beautiful."*

THE BACK 45 RECORDING STUDIO

Vintage analogue meets 21st century digital.

Work with a professional production team that have been making and playing on records since vinyl records were the only things being released.

- Having trouble getting started on your musical project? Not sure how to start?
- Have a project ready to go and want to capture the essence of your songs with expensive sounding gear?
- Need great players on your songs?
- Need your tracks mixed?
- Need your music mastered?
- Need an original score for your presentation?

Contact us today - music is our life. Create or die!

"The rules are, there are no rules!"
