

## **Tell me why**

© Copyright AJ Steel 2008

### **Verse**

You and I  
come from the earth  
from the dust and to  
the dust we'll return

Steal his earth  
he'll steal it back  
why do we need  
to break another man's  
back

### **Chorus**

Tell me why  
we don't get along tonight  
Tell me why  
reason has lost her will to fly

### **Verse**

How much blood  
needs to spill  
into the soil  
to please gods will

How many sons  
need to die  
before we stop preaching  
from the end of a gun

### **Chorus**

Tell me why  
we don't get along tonight  
Tell me why  
reason has lost her will to fly

### **Bridge**

I know that I'm not alone  
I know that we're only flesh and bone  
I know that I am not alone

### **Chorus**

Tell me why  
we don't get along tonight  
Tell me why  
reason has lost her will to fly

**Middle 8**

You and I  
come from the earth  
from the dust and to  
the dust we'll return

**Chorus**

Tell me why  
we don't get along tonight  
Tell me why  
we don't get along tonight  
Tell me why  
we don't get along tonight  
Tell me why  
we don't get along tonight
