AMERICA

By Bobby Susser

America, America

America, America

There's something we all need to know

From Northern Maine to Potrero

We see it on a T V show

We hear it on the radio

Happy together, we ought to be

Deep down inside, we all agree

C'mon everybody sing it out now

One, two, three

CHORUS:

America

We come from every place

America

You've got a smiling face

America

We come from every place

America

You've got a smiling face

No matter where it is you go

Miami Beach or Idaho

The grass is gonna surely grow

And that's a fact that we all know
No other place makes me feel this way
No other place shines from day to day
No other place makes you wanna say
One, two, three

CHORUS:

Bridge:

We've all been lucky to be here
And we all know it's true
The colors look so good to us in red and white and blue
And every time that we say home
We know that home
Is here, oh it's here

Repeat First Verse

One, two, three

Chorus: (Fade)

BRIGHTER DAYS

By Bobby Susser

It doesn't matter if the sky is grey
The clouds will fly away

And a brand new sunny day
Is gonna head our way
We're in for brighter brighter days
We're in for brighter brighter days

Everybody come and gather round
A brand new happy sound
Is everywhere around
In every little town
There's no doubt that we're bound
We're bound for brighter brighter days
We're bound for brighter brighter days

BRIDGE:

And when you see me
And when I see you
There's something that we feel
It's clear as it can be
It's clear for us to see
We're in for brighter brighter days
We're in for brighter brighter days

It doesn't matter if the sky is grey
The clouds will fly away
And a brand new sunny day
Is gonna head our way
We're in for brighter brighter days
We're in for brighter brighter days

by Bobby Susser

CHORUS:

Dear Mr. President

Dear Mr. President

Tell everybody why we all should be friends

Dear Mr. President

We all should get along

We all should sing together

'Cause when we sing this song

It sounds a whole lot better

It feels so exciting

Working with one another

They'll be no more fighting

If we all like each other

CHORUS:

When we cooperate

We'll all have fun forever
We won't have any hate
When we do things together

LUCKY LITTLE MAN (LIVING IN LOUISIANA)

By Bobby Susser

INTRO: Whistle chorus

CHORUS:

I've got a lizard who's my pet

He sits right on my knee

And never runs away

He loves to be with me

BUILDING BRIDGES TODAY

By Bobby Susser

CHORUS:

Building bridges today

So we can talk until tomorrow

Building bridges today

So we can talk until tomorrow

So we can talk until tomorrow

There's nothing like you

And nothing like me

To talk for a while

And even if we

Don't seem to agree

Talking brings a smile

CHORUS:

Oh maybe we'll see

That we can be

Closer than we are

And maybe we'll see

That we can be

Similar shining stars

CHORUS:

BRIDGE:

Let us start today

Let us not delay

Let us pave the way

Now, now, now.....

So, let's get on up

And build a bridge

One from me to you

Yeah let's get on up

And build a bridge

It's been long overdue

CHORUS: (Fade)

HOPE IS IN THE AIR

By Bobby Susser

SPOKEN: Hope is in the air

When I woke up this morning

'Twas something like a dream

And everyone was smiling

Like a winning baseball team

Yes everyone was happy

Just happy as can be

'Cause being here together

Is quite a site to see

CHORUS:

Hope is in the air

Here and everywhere

Hope is in the air

Here and everywhere

We know that life is precious

We know that we all care

And we can make it better

'Cause hope is in the air

Imagine everybody

Smiling everywhere

And everybody singing

That "Hope is in the air"

CHORUS: (Two times)

BRIDGE:

I'm feeling so good today

It feels like we're on our way

And I do believe it's true

Yes all it takes is me, and you

You and me

And me and you

CHORUS: (Fade)

IT'S THE FLAG ALONG THE WAY

(2009 Version)

by Bobby Susser

CHORUS:

It's the flag along the way

That will guide us through the day

It's the flag along the way

That will guide us through the day

Raise the flag to the sky

In the wind watch it fly

And the joy that it brings

Stirs the heart as we sing

CHORUS:

You can feel the freedom there

When the flag is flying there

And the colors that it brings

Makes us all start to sing

CHORUS: (Fade)

We can start to sing it in the morning light

And we'll sound so friendly on the darkest night

WE CAN MAKE IT TOGETHER

By Bobby Susser

CHORUS:

We can make it together
Everyone knows that it's true
We can make it together
Starting out with me and you

There's no need to fear
As long as we're here
We all can get it right
If we should go wrong
We'll start a new song
And change the wrong to right

CHORUS:

They say it's too high
To touch the sky
Any afternoon
But one day in July
We sure did try
We walked right on the moon

CHORUS:

We now understand

And know that we can
Get it going right
Together somehow
Together right now
We're gonna make it right

CHORUS:

They say it's too high
To touch the sky
Any afternoon
But one day in July
We sure did try
We walked right on the moon

CHORUS:

CHORUS:

I've got a real happy feeling
Happy feeling
Yes I do
I've got a real real happy feeling

As the sunshine warms the day

Happy feelings head our way

When it's raining we don't care

'Cause happy feelings are in the air

CHORUS:

As the days go, by and by

Happy feelings are riding high

Winter Summer Fall and Spring

All together we start to sing

CHORUS:

And when I feel this happy feeling

I wrap my arms around that feeling

I won't let go of that feeling

I wanna share that happy feeling

With you

I do

Huh

Huh huh huh hoh

Huh huh hoh

Huh ho

THE REST SONG

Featuring: Paula Atherton

By Bobby Susser

It's time to get some rest

So you can start another day

And catch a dream or two

To help you sail along the way

So rest your body now

Tomorrow is another day

I've got a little feeling

Special things will come your way

Instrumental:

Just rest your body now

Tomorrow is another day

I've got a little feeling

Special things will come your way
