Saying that your mother is black, buying a yellow cadillac

Having a good snack, drinking a six-pack

Question du public à Preston Manning au cours du débat télévisé des chefs  
lors de la campagne électorale de 1997:

"Bonsoir monsieur Manning. Hem! J'ai entendu parler que vous avez mentionné  
les victimes de crimes. Il y a deux ans mon frère s'est fait tuer, et avec ça  
je suis devenue victime de crime et ma question à vous est : quel est votre plan  
pour protéger les victimes de crime?"

E

If Preston is elected victims won't be neglected

Criminals will be arrested justice will be respected

A

Prisons will grow as a flow of bandits

E

Will come in handcuffs around their wrists

B7
