VAMOS PA'L GUASO

*"Hypnotically repetitive and gloriously syncopated, Changüi Majadero is captivating and liberating."*

- POP MATTERS

*"CM interprets the classics and writes its own material, with a political edge, transforming Changüi into a 21st Century pan-Latin genre."*

- fROOTS Magazine The essential folk, roots & world music guide

*"CM is an adventurous ensemble which is reintroducing Cuban Changüi to a new generation... and taking it from Cuba to California while adding their own blend of syncopated flavors."*

## BIOGRAPHY

Changüi Majadero is highly eclectic, with a modern/contemporary touch, dedicated to preserving & performing musical traditions inspired by the rich & festive sounds of Guantanamo, Cuba. With its Caribbean & tropical folk rhythm and melody, Changüi Majadero attracts music lovers to dance and celebrate life by delivering stunning vocals, fiery bongo de monte solos, marimbula-bass thump, driving guayo and maracas, and blazing tres-cubano solos. Changüi Majadero captures the essence of "musica campesina" of Cuba, inspiring & captivating audiences with its high energy, lyricism, and soulful syncopated swing.
