

## **A MOTHER'S LOVE**

1 Kings 3:16 - 27

### **A few observations:**

- This passage doesn't moralize about prostitutes.
- It's not about the woman who stole the other woman's baby.
- It's about a mother's loving maternal instinct.

### **INSIGHTS ABOUT MOTHERHOOD.**

- **There is no such thing as a perfect mother!**

### **Why mothers aren't perfect?**

1. Real mothers are human.
  2. Real mothers don't go to school to be mothers.
  3. Real mothers usually start out young.
- **God has answers for a mother's problems!**
  - **There's nothing like a mother's love!**
  - **The caring heart of a real mother.**

M - is for the meals you prepared with love.

O - is for the order you demand in an out of control situation.

T - is for the time you spend nurturing us.

H - is for the hand of love, that soothes our pain.

E - is for every hour you lost sleep nursing us back into good health.

R - is for the reasonable love you display when we act unlovable.

**THANK YOU!**
