7	drum overhead	15		23	
8	drum overhead	16		24	

NOTES

Sound person may choose to mic drums individually and that's fine. Overheads are a minimum requirement. Also, for vocals, a Shure SM 57 is preferred for lead vocals (Lance), while SM 58s are preferred for background vocals (Mark and Dave.) Also, we utilize a laptop to run video, so we prefer a projector and screen being available. If there is not, then we hang a physical banner behind the stage. We also employ stage fog generators with lights. We appreciate the availability of a green room/changing room as well.
