No Hunger Benefit Concert - US

"Funky" "Poetic" "Complex" "Forward Thinking" "Outside the Box"
"Bad Mothers"

DDAT has been described using those words by national media for good reason. Blending Def-i's intelligent and poetic words and hip hop style with the hard driving funk and jazz jams of Delbert Anderson (Trumpet), Nicholas Lucero (Drums) and Mike McCluhan (Bass) - DDAT has carved their own path with their desert forged influences and world class musicianship.
