

Sing A Song

Chorus:

I've come to sing you a song about JESUS
All about HIS goodness and grace
JESUS HE's my refuge, my healer, my provider
JESUS, HE's my redeemer and my friend

Verse:

HE made a blind man see, caused the crippled to walk
The woman at the well HE gave more joy than she had known
HE fed 5000 with just a few fish and a little bread
Brought a man back to life after 4 days of being dead

Verse:

I've seen HIM heal of cancer, I have watched him give new life
People who were evil, HE turned their wrongs into right
As for me when hope was gone and the dr said no
JESUS said, "Son be healed, rise up and live on."
