

# **It Was Me**

## **Verse 1**

I heard about a man named JESUS who left HIS home up above  
to come to the world below spreading hope, peace and love.  
I wondered why HE came this far from where HE grew up  
then I heard a preacher say, HE came for me  
Just for me

## **Chorus**

It was me, It was me  
JESUS came to rescue me  
HE turned my night into day  
Washed all of my sins away  
It was me

## **Verse 2**

And now you've heard about this man and all that HE has done  
How HE turned my world around and gave me life when there was none  
Maybe you're wondering if HE loves you the same  
I hope you realize HE does then you can say
