Looking Back:

Computing in Clifford

Our digital leaders have been working very hard this week. They have started 2 different clubs; After school club and garage band on Thursday lunchtimes.

Year 5 and 6 Visit from Mark Sanderson (IT consultant)

On Tuesday we made car parking barriers out of Lego and we had to program them to go up and down. We also had to put a sensor on it so every time a car came it went up. Once the car had gone through the barrier went down. The Lego we used was Lego technic.

By Isabel, Ethan and Ben

A few of the year fives had a very interesting trip to the Spring Greens Fair at Pembridge. They were taught interesting facts about the environment and being kind to the planet and had a great day.

"Yesterday, some of our year 5s went to the Spring Greens Fair. We learnt lots of tree facts. We learnt what trees need to grow eg.air. We drew lots of pictures about the environment, like recycling bins. We learnt that the air travels in different ways. Spring Greens was very good".

By Dora and Ava

Well done to Seren B for getting through to the next round of the 500 word short story. Fingers crossed.

Well done to Miss Collingwood for achieving a 'special merit award,' in the Rolls Royce Science competition, with your idea of setting up an outside Science museum. She has to give further ideas about themes for the museum for the next round. School Parliament have shared their ideas this week. If you have any ideas to add please email them to Miss Collingwood or the office.

School Dinners

We are really pleased with the new school dinners. The smell in the hall is delicious and we have had lots of positive comments from the children. There is also much less waste which is fantastic.

On the ordering side of things, we had a few late orders in this week (after Tuesday) for school lunches next week, which we managed to persuade the kitchen to include, but, from now on, we will not be able to guarantee your child will have a school meal if the order for it is placed after Tuesday. Please can you ensure all orders are made on ParentPay by **Tuesday** for meals the following week. Thanks so much.

Coming soon

Monday 6th May it is **Bank Holiday Monday** so we look forward to seeing you on Tuesday.

Hereford Sixth form Musical performance. Thursday 9th May

Their orchestra will be performing to the whole school, a great treat!

Mon 13th May – Thurs 16th May:
Year 6 SATs.

Monday: Grammar, punctuation and spelling

Tuesday: Reading

Wednesday: Maths

Thursday: Maths

Good luck!

CLUBS

Clubs are now up and running. Please could payment for clubs be done as soon as possible either through the office or on ParentPay. Any clubs no longer on ParentPay have been taken down because they are now full.

Thanks

The PTFA would be so grateful for a few more volunteers to help them organise fundraising events for the school. It's a great way to get involved, is good fun and very rewarding. The school relies so much on the PTFA for helping to fund various projects, including trips, equipment and more, so please, if you have the time come along to the next meeting.

Thursday 9th May. 7.30pm at Tomatitos in Hay.

GARDENING CLUB

This week at gardening club while we were busy doing lots of weeding, we found that a lot of the flower beds are rotten. We are looking for donations and/or help to rebuild them using wooden planks. We also desperately need gardening equipment eg. gloves, spades, forks, trowels, watering cans, wheel barrows, small flower pots, compost, seeds and seedlings and outdoor paint to make our plant boxes more colourful! Please let us know if you are able to help or have anything you can give or loan to us.

Wednesday 15th – Thursday 16th May
Year 3/4 PGL

A few payments are still outstanding, we would be most grateful if these could be settled through the school office. The kit list is attached alongside this newsletter and more details are in your child's class letter which was emailed to you this week.

Please do not book school dinners for these two days and if you have already please could you cancel them. Any problems please contact Mrs Peachey. Many thanks

Years R, 1 and 2.

Swimming at Peterchurch Primary School every Monday from 13th May until Monday 15th July.

All children must have a swimming hat!

Cost £4 per week.

Payment through the school office or ParentPay
