Pear Tree Class Letter

Dear Parents,

Welcome back after half term. What a lovely start with such beautiful weather! The children have made the most of it playing outdoors this week which has been great. Below is hopefully some useful information regarding this term.

P.E.

P.E. will continue to be on Thursdays so please ensure the children can leave their kit in school throughout term time on their pegs.

Reading Books and Reading Diaries

Thank you for continuing to read as much as possible with your child at home and for all the comments you leave in their diaries. As always, please continue to practise any letter formation sheets and reading of tricky words that come home in their Home Learning books.

Welly Wednesdays

We will continue Wellie Wednesdays this term. We will either be outdoors on the school grounds or at our Forest School site. Please can you ensure your child has their wellies and warm outdoor clothes on these days.

Tapestry

Don't forget, your child's online Learning Journal continues to be updated regularly onto Tapestry. Please read through them when you have a minute and feel free to add comments or your own photos and observations from home at any time.

Dropping Off

Thank you for co-operating with the new dropping off system on the playground in the mornings. The children have adapted so quickly to this and it really does make their transition into year 1 so much smoother giving them this time to prepare for new routines.

Thank you

A big thank you to Mr Holland, Mrs Morgan and Mr Morgan for coming in and talking to the children about their careers in the police force, nursing and piloting. The children gained so much from listening to these talks and having the opportunity to see the equipment they brought in to show. They all have a much greater understanding of the people who help us within the community as a result.

Looking back

We fitted so much into such a short time last half term. Below are some photos of all the things Pear Tree class got up to.

Solving crime scenes!

Exploring new programmes on the ipads.

Making stethoscopes

Exploring ice.

Learning about Chinese New Year and making stir fry noodles.

Our Circus Day!

Mrs Morgan talking to the class about nursing.

Mr Morgan talking about being a pilot.

Mr Holland talking about being in the police force.

As usual, if you have any further questions please do not hesitate to contact us.

Many Thanks,

Mrs Medina & Mrs Scourfield
