

SCHOOL UNIFORM

We are very pleased to have secured a place in the School Uniform shop in Hereford for our school uniform. All items of our uniform, including book bags, will be available to buy in their store from 27th December 2018 and from their website in early January.

Their details are:

10A St Peter's Square, Hereford HR1 2LE. 01432 340720

They are using the David Luke Eco range of uniform, as, not only are their products fantastic quality and ethically sourced, but the man-made part of the fabric used in the production of the products is made using recycled plastic bottles which would otherwise go to landfill.

The uniform will still be available from School Trends

(www.schooltrends.co.uk) as we will keep our account going but the above will offer another choice.

The third option is to buy blank uniform and have the badges added by Horse and Jockey in Peterchurch who charge £4.50 per badge. 01981550467 (The Old Forge Industrial Estate).
