

### English: Fiction

We will be comparing stories written by the same author. I have chosen Julia Donaldson and have a huge array of stories for the children to explore.

- We will read, research, compare, and review stories.

- We will look at different characters from the stories, create, describe and discuss characteristics.

### English: Non-Fiction

- We will be imagining that we are different characters and writing chronological recounts about what happened to us in the form of a diary entries. E.g. Goldilocks.

- We will also be drawing mind maps and sequencing events chronologically.

- We will learn to write recounts in the first person using the past tense, conjunctions and descriptive words.

- Full stop
- Capital letter
- Finger Space

### Phonics:

We will be recapping all previously learnt graphemes and tricky words and using these effectively in writing.

\* A big focus on reading and spelling common exception words.

### Maths: Shape Space and Measure

**Year 1** – We will be recognising and naming common 2D and 3D shapes.

**Year 2** – we will identify and describe the properties of 2D and 3D shapes and then we will compare and sort 2D and 3D shapes and everyday objects.

### Maths: Number and Place Value

**Year 1** – we will count to and across 20, forwards and backwards starting from any number.

- We will read and write numbers from 1-20 in numerals and words.

- We will identify and represent numbers using objects and pictures.

**Year 2** – we will focus on tens and ones in a 2 digit number.

- We will identify, represent and estimate numbers to 100.

- We will compare and order numbers from 0-100.

- We will read and write numbers to 100 in numerals and words.

### Computing: Digital Literacy (E-Safety)

- We will learn how to use technology safely and respectfully.
- We will learn how to keep our personal information private.
- We will identify where to go for help and support when we have concerns or worries online.

# Willow Tree Class Autumn 1 Topic Web

### History: Great Fire of London

- We will dive back in to history to identify events beyond our living memory.
- We will learn the facts of the Great Fire, exploring how and when it happened.
- We will create a time line.

### PE: Gymnastics

- We will master basic movements including, developing balance, agility and co-ordination.

- We will copy sequences and repeat them.

- We will roll, curl, travel and balance in different ways.

- We will use equipment safely.

### Science: Our Body

- We will identify, name, draw and label parts of the human body.

- We will say which part of the body is associated with each sense.

- We will explore our five senses in lots of ways.

### DT: Food and Nutrition

- We will learn about food and nutrition and how to keep healthy.

- We will design, make and evaluate a healthy snack.

**RE:** We will be exploring the question; how should we care for others and the world and why does it matter?

Harvest Festival will also be celebrated.

**PSHE:** We will identify ways of taking care of ourselves and keeping our bodies healthy. Basic hygiene and the spread of infections will also be discussed.

**MFL:** We will be learning how to introduce ourselves, our families and to ask and answer the question "How are you?"

We will learn words for different parts of the body through songs and games.

### ART: Portraits

- We will produce creative work, exploring our own ideas, showing our feelings through our work.

- We will explore different styles and techniques.

- We will explore a famous artist and make comparisons with our own work.
