

3 Clifford School Dads are aiming to cycle the equivalent height to Everest with the lovely people at Drovers Cycles who are organising their annual Everest Challenge, 15-16th June.

The intrepid team of parents have committed to cycling up to the Gospel Pass (next to Hay Bluff) and back, 16 times or more from Drovers Cycles Base Camp in Hay - the equivalent height to Everest.

All money raised will help support the school in so many ways; extra resources for the classroom, laptops, ipads, partially funding school trips, Christmas presents for the classrooms, Art books are just a few examples.

The PTFA are currently aiming to raise money to improve the outside space for the school. To improve the vegetable beds, purchase more picnic benches, have a music and storytelling corner and extend our winter playing areas by having all weather surfaces. Please give what you can in support.
