

Dear Parents / guardians,

My name is Troy Redfern and I am pleased to be able to offer drum lessons to pupils of Clifford Primary School next term.

I am a professional musician based near Gladestry. I write, record and produce my own music, and have recently had air play on BBC Radio 2 and Radio 6 Music. I have been on tour across Norway, Spain, Germany and Russia.

I have been teaching music to children and adults for over 20 years, and currently teach guitar to a number of children at The Globe in Hay on Wye.

Prices for lessons would be £10 for 20 minutes, which I have found to be a perfect duration for primary-aged children. Fees would be payable at the start of each term.

If you would like to register your interest in your child having drum lessons, or for more information, please complete the slip below and hand it into school by

.....

I would like to register my interest for my child _____ to have drum lessons at Clifford Primary School.
