

Science investigation: Which type of roof will be the most waterproof in the rainforest?

Cherry Tree Class letter Summer 1st half

3 explorers using virtual headsets to locate animals in the rain forest.

Wednesday, 1st May

Dear Parents,

We have such a short half term ahead of us and lots to pack in.

PGL

On the 15th and 16th May, all of the children will be going to PGL. There is lots of excitement about this trip and the children will have an amazing time. Please look on the school website for a copy of what your child needs to take on their residential. The children are likely to get wet and muddy so only pack old clothes please and all possessions need to be labelled. Children are very welcome (encouraged!) to bring a teddy and a familiar toy can help children get off to sleep. Please bring a sleeping bag and pillow but please do not bring any sweets or other snacks.

Your child needs to be at the PGL site for 8.45 a.m. on the 15th May and collect at 5.30 on the 16th May. All children should have a hearty breakfast, at home, on the morning of the 15th May as they will need lots of energy for the activities.

If your child takes any medication then please give this to me when you arrive on site with clear dosage instructions provided.

During the second half of June, year 4 children will be sitting a multiplication test. They have been preparing for this for a long time. Over the next few weeks we will be revising the 6,7,8,9 and 12 x tables (not in this order) and I will set this as homework too. Please continue to support your child with this work. Year 3 children are expected to continue to learn their tables for Froggy maths tests.

Looking back

On the last day of the Spring term, years 3 and 4 represented the school in the Sing Spring event which was hosted at Fairfield. The children sang A million dreams from The Greatest Showman and a special commendation goes to Arlo E for his solo performances. All children sang this brilliantly and all staff who came to watch were very proud.

We said goodbye to Mrs Sherwood who has been a teaching assistant in the year 3 and 4 class for many, many years. The children put together a beautiful assembly which included poetry, dancing, A Napoleon play, playing Frere Jacques on ukuleles and singing. Mrs Sherwood is going to be very missed but will hopefully come and visit us.

Mark Sanderson brought virtual headsets and the children explored the rainforest using headsets.

Isabelle, Chloe and Ruby represented the school in the Green Spider Climbing event. They had an amazing time and delivered an assembly on it later. The event sounded amazing and we are hoping to take other children in the near future.

As always, I wish you all a lovely half term.

Please contact me on jlangford@clifford.hereford.sch.uk if you have any concerns or just want to share a success.

Best wishes,

Jennifer Langford
