

The Fifth House has an ever-evolving sound that is redefining the landscape of today's modern music scene!

Rock music is in desperate need of a boost and **The Fifth House** is THE band to breathe new life back into the genre.

Bassist/vocalist **Julia Crow** fronts the group and is backed by her brother **Wes Crow** on guitar, **Nick Weber** on drums and **Brandon Clarkson** on rhythm guitar and keyboard.

Julia's spunky attitude and stage presence are reminiscent of iconic girl rockers, while Wes' gritty guitar riffs are rich layers of blues, soul and rock. Nick's tasteful pocket is steeped in his expert ability to meld into any genre. Brandon's versatility on multiple instruments adds dimension to the band's sound.

As veteran musicians who have played hundreds of shows, they are professional and entertaining with a sizzling stage presence that leaves audiences screaming for encores. Real instruments, natural vocal talent and pitch perfect. They are the real deal!

Experience live music the way it's intended to be heard – with driving rhythms, energetic live performances, raw energy, passionate vocals, and amazing harmonies!
