Please consider a 100% deductible donation to help grow our Foundation. This fund was created for OUR employees and family members who attend a higher education institution.

Essays are submitted and judged by the Board of Directors' Education Committee and awarded at the FAWD Annual Convention. These scholarships are intended to offset expenses and are mailed directly to the universities.

We raise money through your donations, proceeds from Silent Auction and Raffles held throughout the year. This is another benefit to be reaped by participating in your association!
