

California Dreamin'

All the leaves are brown and the sky is grey
I've went for a walk on a winter's day
I'd be safe and warm if I was in L.A
California dreamin', on such a winter's day
(echo)

Stopped into a church I passed along the way
Well, I get down on my knees and I pretend to pray (echo)
You know the preacher likes the cold
He knows I'm gonna stay
California, California dreamin', on such a winters day

(Interlude)

All the leaves are brown and the sky is grey
I've went for a walk on a winters day
If I didn't tell her, I could leave today
California, California dreamin', on such a winters day

California dreamin', California dreamin', on such a winter's day!
