

Mötel Sixx EPK 2021-2022

Mötel Sixx is one of Minnesota's premier Mötley Crüe tribute bands. Mötel Sixx was formed in 2015 when a few guys got together to jam.

From day 1, as the sweat ran off of our faces, we knew by the first break that this was the start of something special. With almost 30 songs picked and several weeks of rehearsals, we put on our first performance. The rest is history.
