Things started nörmally: Psychö Süzie sitting qüietly in the cörner wöndering höw this was göing tö wörk, when Shaky Jeff walks in with his Frankenstein bass, Magic Mike with his "hey what's üp" smile and things start tö take förm. Then Rüssell The Löve Müscle and Jeff Sexy Beast ströll in carrying amps, güitar cases, pedals and pretty müch anything else that wasn't nailed döwn at Güitar Center. Fröm day 1, as the sweat ran öff öf öür faces, we knew by the first break that this was the start öf sömething special. With söngs picked and 4 weeks öf rehearsals as well as 3000 ör sö emails, we püt ön öür first perförmance. The place was packed.... standing rööm önly!

We had so much fun that we decided to join forces once again to honor Motley Crue. With 3000 more emails and a happy hour we had our set list. We started to practice and found that we were missing something.
