

## You are Good

C#m E/Eb E A  
I see the clouds take a drink from the ocean's cool and deep

C#m E/Eb E A  
And like a train through the sky, carry water to the dry

Eb/E A B E  
All of it sings out -You are good

All the world, painted through, wears the colors that you choose  
From the grass, to the skies, and the shining in our eyes  
All of it sings out -You are good

A A/F#m C#m B  
**All of creation sings a song -You are good**  
A A/F#m C#m B  
**And all Your children sing along -You are good**

A E  
**How could we hope**  
C#m B A  
**if You were something different than You are?**  
B E  
**But You are good**

In the kingdoms of men, where You're mocked, ignored and banned  
Still sun and rain now You give, so Your enemies can live  
All of it sings out, You are good

C#m E/Eb E A  
We were fools, bit the hand that feeds life to every man  
C#m E/Eb E A  
Still You said 'come return' -took the guilt our sins had earned  
A/F# C#m-B  
Forever I'll sing out -You are good

A/F# C#m-B  
**Let all the world take note and see -You are good**  
**Let all the world come now and sing -You are good**  
**Let all the church reflect Your theme -You are good**  
**Let all the world proclaim You King -You are good**
