

This Love

F Am G
I searched my mind wondering why you love the way you do
F Am G
But I can't find a motive for the things that I have seen in you

C/E F
Where does it come from, where does it grow
C C/B F-Am-G
The love that needs no reason, the love that you have shown to me

F Am G
You thought me into existence
F C C/E
You sought me with loving persistence
F Am G F
You bought me and purchased forgiveness with your own blood
Am G
What is this love?

My small mind couldn't find the place where your love grew
But I was blind and failed to see that very place was you

Dm Em
When we were still your enemies, You took up our infirmities
F G
And innocent you died that day to pay the price we should have paid
Am C
I'm amazed to ponder how your eyes can see me blameless now
F Am
The God who doesn't need a thing has crushed His Son and
G F-Am-G
offered me new life

F G
You're where it comes from, You're where it grows
F G
The love that needs no reason, the love that you have show to me
