Josh Steingard	drums	backing vocals

We often have a sound/lighting engineer (Matt), available to assist venue/sound staff.

Contact

Brian: (302) 312-5624 brian.os@verizon.net
Bill: (732) 841-7632 bridner2112@gmail.com

Equipment

Band provides its own drum kit, instruments, and amps. Amp/instrument specs:

- Bass amp: Tech 21 VT Bass 1000 (1000 watts); Mesa Engineering Standard Power House bass cabinets 2x12 and 2x15. XLR line out available
- Electric guitar amp: Fender Deluxe Reverb (40 watts)
- Yamaha MG-10 mixer stereo-out for mixed keyboard signal: XLR or 1/4" balanced out for left & right channels
 - Brian brings keyboard monitors to tap the keyboard mixer's monitor-out feed

Please contact **All Good People** at least 2 weeks in advance for any requests to share equipment with other bands on the bill, as well as to confirm sound requirements.

Venue/sound to provide:

- 4 vocal mics
- 4 boom stands for vocal mics
- 5 wedge monitors (one for each band member)
- 2 side-fill monitors for larger (>300) venues
- 2 DI-boxes for acoustic guitars
- 2 DI-boxes for keyboard mixer out
- 2 mics for guitar amps
- 1 mic for bass amp (if not using XLR out)
- mics for drum kit (house choice on mic'ing layout)

Frontline

Venue/sound to provide PA system, console, and stage monitors.

- Mixing console must have minimum 16 channels for vocals & instruments; see stage plot for minimum channel inputs: 4 vocal mics, minimum 10 instrument channels
- We prefer a natural mix with a little reverb+compression on vocal channels.
- Please check 5-string bass & synth patches during sound check for deep bass sound.

Sound samples

For a sample of our sound, please listen to our promo video: <https://youtu.be/i9Eak-d49eE>

Monitor mixes

Starting mix - please adjust during sound check

- Brian (keys) - heavy on vocals, guitar, bass
- Jimmy (guitars) - full band
- Sammy (lead vox) - full band, higher vocal mix
- Bill (bass) - vocals, guitar, keys
- Josh (drums) - vocals, guitar, keys, bass

Visuals

Please let us know if venue has a projector and/or screen; if not we can bring a 100" screen & projector for background images & animations to play during most of the show. Visuals driven from band-provided Windows laptop with VGA-out.

Thanks for your support! We look forward to working with you & putting on an exciting & memorable show!
