

Booger Song

by Tim Machin

C7 **D7**
Don't pick your nose and eat it, don't pick your nose that's gross
G **C7**
Don't pick your nose, don't pick your nose, don't pick your nose and eat it

Here's why

C7 **F**
Your fingernails are pack with germs, allow me to explain
G **C7**
Those germs will crawl right up your nose and then they'll eat your brain

So don't

C7 **D7**
pick your nose and eat it, don't pick your nose that's gross
G **C7**
Don't pick your nose, don't pick your nose, don't pick your nose and eat it

C7
Actually Sing Along Tim, the latest scientific evidence says that picking your nose and eating it can help boost your immune system

Really?

But we still think it's gross

So don't

C7 **D7**
pick your nose and eat it, don't pick your nose that's gross
G **C7**
Don't pick your nose, don't pick your nose, don't pick your nose and eat it

C7 **F**
Those germs get in your mouth, then they crawl down the road

G
And when they reach your stomach, it's going to explode!

So don't

C7 **D7**
pick your nose and eat it, don't pick your nose that's gross

G **C7**
Don't pick your nose, don't pick your nose, don't pick your nose and eat it

F **G** **C F C G C**
And boogers have no nutritional value
