

# 12Eleven

12Eleven is a radiant, energetic, and fun acoustic-pop/R&B band with a vast range of cathartic and dance-worthy songs. The main ingredients to 12Eleven's vibe are their warm vocals, infectious groove, and fresh sound. 12Eleven has played at SouthSounds Music and Arts Festival, Billy Bowlegs Pirate Festival, as well as events at Troy University, and venues along the Gulf Coast and Lower Alabama.

12Eleven is currently in the process of finishing up their debut E.P. which is set to release Summer of 2018.
