

My Luck

I see tears in your eyes girl
I said some things I didn't mean to say
But I see those roses that he bought you
It's a shame you had to throw all mine away
That's my luck, oh that's my luck

Now there's just too many accountants
With so much money they'll buy you cars to drive
You said money doesn't mean that much to me
But honey you know that seems to me a lie
That's my luck, oh that's my luck

There's a chance that my heart might break
But that's the chance I've got to take for luck
That's my luck

I see tears in your eyes girl
I said some things I didn't mean to say
You taught me all about forgiveness
I guess its best that I just walk away
That's my luck, oh that's my luck
