Entries must be received by Wednesday July 21, 2021. **Email or hand deliver entry details to Toni Barnhart at tonibarnhart@mac.com** You may pay on arrival at the match, or you can pay out of lesson money currently on the books, whatever works best for you and yours.

Important! Please indicate the jump height you intend to jump your dog(s).

Really Important! If you wish to join us as a guest for the day, please get in touch with me first so we can discuss COVID protocols. Thank you.

Don't forget chairs & crates! There is plenty of tent space for fun runs. There is county water on site.....and a stock tank to cool down in...for the dogs! For the dogs!

Please see the protocols for keeping us all safe during the pandemic. If you cannot adhere to these protocols, please stay home. Thanks!
