

## A WEEKEND OF SKILL BUILDING

Friday, Saturday and Sunday: June 25 - 26 - 27, 2021

**The seminar long weekend is back!  
We will be focusing on course strategies,  
plus: added bonuses for both our veteran dogs,  
and our brand new beginning agility teams!!**

Take the time to read the descriptions for each seminar and make sure you and your dog have **skills/prerequisites** that are a good fit before signing up. If you have any questions about the skills you need for a seminar: ASK!

**Friday June 25, 2021**

### Course strategies from advanced teams to beginners

**8:00 - 10:00AM:** Training?! Execution?! Strategy? When you are in class, or participating in a fun run or thinking about competing, your success in agility depends on understanding whether your challenges are based on training, strategy and/or execution issues. Clear as mud? Then this is your seminar! **Skills:** You need to have completed the beginning agility classes, and you need to be taking weekly lessons. This is a great seminar to try if you are new to the process. (2 hours 5 teams)

**10:15 - 12:15PM:** Course strategies: Can you figure out where to cue extension or collection? Can you visualize the path? Can you understand where best to lead out, and when? This seminar will help you sort it all out, for the ultimate clear information for your dog. **Skills:** you understand the basic walk through process and are consistent in **using** it. You are happy with your dogs' obstacle performance. (2 hours 5 teams)

**12:30 - 2:30PM:** Course strategies Now is the time to kick your handling up a notch and stretch you and your dogs' performances. This seminar is for **first time advanced handlers**. As this is an advanced seminar, we will most likely run the course and then work on nit picky things. If you have questions about whether you fit into this seminar please ask. Welcome to advanced seminars! **Skills:** You are comfortable with your dogs' obstacle performance, your teamwork and your course strategies so far, but want to work on nit picky details to make your performance really shine. **Homework:** prior to coming to the seminar please have a course strategized from the map provided. (2 hours 5 teams)

For a complete listing of 2021 dates and events visit the calendar page of the website:

**Saturday June 26, 2021**  
**Course strategies and veteran dogs**  
(all sequences all vary from previous seminars)

**8:00 - 10:00AM: Veteran dog fun run:** Is your teammate getting older, but still excited to play agility? This seminar will give you the tools you need to access your dogs' abilities to continue in agility as he ages, emphasizing how to keep your partner happy and playing as long as possible. And then, of course we will run and play!!!! **Prerequisites:** This seminar is for dogs 7+ years old, who have been participating in agility for several years and want to continue to participate. Handlers should be open to the concept of "less is more". (2 hours 5 teams)

**10:15 - 12:15PM: Course strategies** Can you figure out where to cue extension or collection? Can you visualize the path? Can you understand where best to lead out, and when? This seminar will help you sort it all out, for the ultimate clear information for your dog. **Skills:** you understand the basic walk through process and are consistent in using it. You are happy with your dogs' obstacle performance. (2 hours 5 teams)

**12:30 - 2:30PM: Course strategies:** Can you strategize on the fly? Let's find out. We have our ways to make you crazy! Fun! **Prerequisites:** for advanced handlers who have participated in advanced seminars previously and are comfortable strategizing and running courses of 16 - 20 obstacles **Homework:** Yea, you don't get a map! Pray. That might help. (2 hours 5 teams)

**2:45 - 4:45PM: Course strategies:** Now is the time to kick your handling up a notch and stretch you and your dogs' performances. This seminar is for **first time advanced handlers**. As this is an advanced seminar, we will most likely run the course and then work on nit picky things. If you have questions about whether you fit into this seminar please ask.
