

# C Blues Scale

The image displays six different fingering patterns for the C Blues Scale on a guitar fretboard. Each diagram shows the fretboard from fret 1 to 12, with some frets shaded to indicate barre positions. Circles with the letter 'C' indicate the root notes of the scale. A lightning bolt symbol is present in the second diagram, and a circle with an 'O' is present in the first and sixth diagrams.

**Diagram 1:** Shows the C Blues Scale starting at fret 8. Root notes are at frets 8, 10, and 11. A circle with 'C' is at fret 8. A lightning bolt symbol is present.

**Diagram 2:** Shows the C Blues Scale starting at fret 3. Root notes are at frets 3, 5, and 7. A circle with 'C' is at fret 3. A circle with 'O' is present.

**Diagram 3:** Shows the C Blues Scale starting at fret 3. Root notes are at frets 3, 5, and 7. A circle with 'C' is at fret 5.

**Diagram 4:** Shows the C Blues Scale starting at fret 5. Root notes are at frets 5, 7, and 8. A circle with 'C' is at fret 5.

**Diagram 5:** Shows the C Blues Scale starting at fret 5. Root notes are at frets 5, 7, and 8. A circle with 'C' is at fret 8.

**Diagram 6:** Shows the C Blues Scale starting at fret 1. Root notes are at frets 1, 3, 5, 7, 8, 10, and 12. A circle with 'C' is at fret 1. A circle with 'O' is present.
