

She is Goodness - Daniel Dorman

Key: C

Tempo: 60 bpm

Intro:

C/G / G / Am G / F /

          C/G                  G  
She's a fickle one    She like water runs  
          Am      G              F  
Through my fingers Before I get a sip  
          C/G              G  
She's a melody    i'm no harmony  
          Am              G              F  
She is beauty I'm a painful dissonance

Chorus:

          C/G                  G  
If you want truth Learn to bleed  
          Am                          G              F  
Cause she is goodness And she's everything opposed to me  
C/G                          G  
Sometimes peace is easy  
          Am                          G  
Sometimes she makes war  
          F  
With the rest of me  
          Am                  G              F  
So I'm giving in And giving her The best of me

          C/G                  G  
She's a fine wine    Aged with all time  
Am                          G      F  
Drink her and you'll finally see  
          C/G                  G  
Tell the burden comes Oh be ready Son  
          Am                  G              F  
This world is burning hotter than you'd think it be

Chorus:

          C/G                  G  
If you want truth Learn to bleed  
                  Am                  G          F  
Cause she is goodness And she's everything opposed to me  
C/G                  G  
Sometimes peace is easy  
          Am                  G  
Sometimes she makes war  
          F  
With the rest of me  
          Am                  G          F  
So I'm giving in And giving her The best of me

Instrumental/Outro:

Woa - oh Woa - o - oh  
C/G / G / Am G / F /
